**GitHub:** https://github.com/Pranav2909Codes **Mobile:** +91-9793982759

## Skills

- **Language**: HTML, CSS, JavaScript, C++, Python, Java
- **Frameworks**: Pandas, NumPy, Matplotlib,Scikit-learn
- **Database**: MySQL,DBMS
- **Tools:** Git, GitHub, Postman, Figma
- **Soft Skills**: Solution-Driven Approach, Collaborative Contributor, Task Planning & Execution

## Projects

**Library Tracker Management:** Jun'2025-Jul'2025

- Developed a console - based Library Tracker Management that handles 50+ emergency/resource requests with smart allocation .
- Applied Utilized Stack,Binary Search Trees queue, and priority queue to manage sequencing, undo-actions and high-priority processing .
- Optimized Improved overall request-handling efficiency by 30% through optimized use of vectors, arrays, and efficient algorithms.

**AI - Powered Comic - Generator Chatbot:** Apr'2025-May'2025

- Built a comic - generator chat bot using Google's Gemini API that handled **500+ user queries** with real-time responses.
- Created a responsive interface with dark/light modes, markdown support, and saved chat history, increasing user engagement by **40%**.

Added local storage and prompt - handling logic to keep comic updates consistent across sessions

**Excel Dashboard Project : Blinkit Market Categorization:** Mar'2025-Apr'2025

- Developed a dynamic dashboard to manage data from outlets ,purchase orders, and performance tracking, increasing operational visibility by **90%**.
- Integrated a secure PHP back-end with MySQL-based CRUD features, cutting manual data entry time by **30%** and improving data accuracy.

Designed a intuitive visuals and responsive UI elements that streamlined data handling and boosted overall productivity by **35%**.

## Achievements

**Achieved GFG:**

Solved DSA problems

Earned 3-star on hacker rRank

## Certificates

- Learn core DSA concepts and build hands-on project, CipherSchools — june'2025-july'2025
- Cloud Computing, NPTEL — Jan'2025-Apr'2025
- Introduction to Hardware and Operating system, Coursera — Oct'2024-Aug'2024
- Software Development Processes and Methodologies Coursera — May 2024

## Education

- **Lovely Professional University** — Punjab, India
  *Bachelor of Technology - Computer Science and Engineering;* ***CGPA: 6.77*** — *August 2023-Present*
- **Mantora Public School** — Kanpur, Uttar Pradesh
  *Intermediate;* ***Percentage: 82%*** — *April 2021 - March 2022*
- **Oxford Model Senior Secondary School** — Kanpur, Uttar Pradesh
  *Matriculation;* ***Percentage: 89 %*** — *April 2019 - March 2020*
